## Objective

---

I am a hard working student, who is ready to seek more work experience within my double major. I currently have five years of work experience, and I'm willing to learn from others, as well as self-teach myself.

## Experience

---

### Lifeguard and Concession Stand Worker

June 2010 to August 2013

At the Somerset pool, I worked to ensure safety amongst swimmers and to enforce rules. I had proper training in CPR, First-Aid, and Lifesaving Skills. **Address: The New Reading Township Somerset Pool –Somerset, OH**

### Counselor at 4-H Camp

June 18, 2010 to June 23, 2012

At 4-H camp, I was in charge of organizing events and problem-solving activities. **Address: Perry County 4-H Camp at Camp Ohio –Licking County, OH**

### Cashier at Underwood's Hardware

Decemeber 12, 2012 to August 2013

At Underwood's Hardware I answered phone calls, restocked shelves, rang people up, took inventory, cleaned, and ordered products for customers. **Address: 104 Public Square –Somerset, OH**

### Campus Representative for Tackk

October 16, 2013 to present

I have helped to promote Tackk by using their website, creating my own Tackks, getting local businesses involved, and convincing students at KSU to Tackk with me. **Address: 5000 Euclid Ave. Suite 310 –Cleveland, OH**

### 3D Printing Director at Blackstone LaunchPad

October 22, 2013 to present

At Blackstone LaunchPad, I learn how to use 3D printer software, allow students to come in and print with me at no cost, and hold workshops to teach students how to print and use the software. **Address: Student Center 1075 Risman Drive –Kent, OH**

### Part-Time Nanny

August 25, 2013 to present

As a part-time nanny, I make sure that the kids get on and off the bus safely. Also, I watch after them and help them with their homework after school. On occasion, I live with the family when necessary.

**Address: Streetsboro, OH**

## **Software Developer Co-Op with RoviSys**

**May 22, 2014 to present**

At RoviSys, I work with a team of six other engineers on a customer related project. I started out testing and creating demos of API implementation for Proof of Concepts. Now, I'm moving onto writing my own code for software design and implementation. The primary languages I work with include JavaScript, jQuery, C#, and ASP.NET. **Address: 1455 Danner Drive –Aurora, OH**
